Welcome to AL FARAH GROUP

AL FARAH Contracting and services was incorporated in the year 2012 in Doha, Qatar. Business operations as a Professional Man power We began Our Supply & Human Resource Consulting company, for seeing the increasing demand for skilled Man power for the fast-paced development of the built Environment in Qatar. It is a matter of pride & fulfillment that we could build on this / foundation, with just a handful of people, to transform into a multi-business conglomerate in a short period. Since our inception as a corporate, we have strived to keep in place with the evergrowing demands of the nation. Accordingly, we have diversified into the areas of HR Solutions, facility management, Contracting / Engineering and Hospitality.

VISION

*To be the leading provider of resources, solutions, and services in the expertise that enables professionals and employers to realize their complete potential.
*To build satisfying career for our people and to be a company of people's choice.

MISSION

To build customer-centred values by setting the highest standards of reliability and dedication.

What Makes Us Different?

CLIENT CENTRIC APPROACH

Yes, we listen to our customers! We maintain our clients on a win-win basis up to an unending period.

TIMELY EXECUTION

The commitment to thoroughness, flexibility, and customization of solutions means more timely and focused results.

ETHICS

Honesty is our priority which will never be compromised.

QUALITY

We intent to deliver excellence in whatever we do. We strongly believe our reputation depends on what we deliver.

INNOVATION

We intent to deliver excellence in whatever we do. We strongly believe our reputation depends on what we deliver.

WHAT WE DO

HR SOLUTIONS

AL FARAH offers professional Human Resource solutions to impact industry growth as an Executive Search, Sourcing & Selection, Long and short term staffing, Interim Training & Development and Project support Placements, services organization. Working closely with organizations by continuously improving the way of attracting, training and retaining talented and resourceful workforce. AL FARAH implements cutting edge processes and ideas that make client programs a success resulting in enhanced quality of performance.

SOURCING AND SELECTION

AL FARAH is zealous about finding the right person with the right skill for the right job. The sourcing and selection of executives and leaders is a major investment for any organization. AL FARAH works unanimously with clients at each stage of the process, from defining their requirements, and preparing role and person specifications to the selection and interview stages. We have extensive experience in chairing interview panels for senior management and professional grades, using competency-based interview methods.
